INFORMATION DISCLOSURE STATEMENT

SIR:

In order to comply with discretionary regulations 37 CFR 1.97 and 1.98, attached hereto is a copy of Form PTO-1449 and copies of the non-US documents (if any) listed thereon. These documents contain information which the Examiner may consider to be important in deciding whether to issue a patent in the instant application.

For documents written in a language other than English, English language abstracts and/or explanations are annexed thereto explaining relevancy in accordance with 37 CFR 1.98(a)(3).

Also attached is a Notification of Reason(s) for Refusal with translation dated June 2, 2009, for the corresponding Japanese Application 2005-269295. The Notification of Reason(s) for Refusal cites two documents, namely JP 2003-256876 and JP 10-503304. Both documents were submitted in the IDS filed on August 25, 2006.

The present Information Disclosure Statement is being submitted in compliance with 37

CFR 1.56 as an Examiner might consider any cited document important in deciding whether to

allow the application to issue as a patent, but the citation of each document is not to be construed

as an admission that such document is necessarily relevant or prior art. No representation is

intended that the cited documents represent the results of a complete search, and it is anticipated

that the Examiner in the normal course of examination, will make an independent search and will

determine the best prior art consistent with 37 CFR 1.104 (a), and in the course of such search

will review for relevance every document cited on the attached form even if not initialed.

As this statement is being filed after the issuance of a Notice of Allowance but before

payment of the Issue Fee, a fee of \$180.00 for submission of this document should be charged to

Deposit Account number 50-1290 in accordance with 37 CFR 1.97(d) and 1.17(p) along with a

statement in compliance with 37 CFR 1.97(e). Each item of information contained in this

information disclosure statement was first cited in a communication from a foreign patent office

in a counterpart foreign application, not more than three months prior to the filing of the

information disclosure statement.

Early and favorable consideration is respectfully solicited.

Respectfully submitted,

/ Pedro Carlos Fernandez /
